

COMMUNITY TEAM INFORMATION

Fitness is more fun in groups! Organize a group of participants in the 10th Annual First American State Bank Fitness Festival and see how many people you can engage in their individual wellness efforts.

Prizes will be awarded to the **Community Team with the Most Participants** and also to the **Community Team with the Most SPIRIT!** The judges will be looking at the team's enthusiasm and creativity. We encourage costumes, props and other creative ideas (so long as they don't interfere with other runners, please). Be sure to attend the awards ceremony immediately following the race to see if your team has won.

In order to have an accurate count on community team participants, it's important that you start by completing the Community Team Registration Form and returning it to us. We will set-up our online system to recognize your team name, so your group will be able to select your team name as they register. Remember, we need the Team Captain to return the Community Team Registration Form and then each member of the team to complete the individual registration process. Encourage people to go green and save time by registering online at www.fasbfittnessfestival.com.

RECRUITMENT IDEAS

Expand your group by thinking of inviting *everyone* to participate! You will be surprised at how many people will jump onboard. Teams **CAN** include 5K runners and walkers **AND** 1 Mile runners and walkers, so be sure to encourage everyone to participate, regardless of their physical fitness levels. Here are a few ideas to start your list....

- Family
- Friends
- Coworkers
- Neighbors
- Church Friends
- Your Children's Friends & Families / Playgroups
- Post the information in your fitness center or cafeteria at work
- Talk about it on Facebook or Twitter!

Let us help you expand your team. If you would like some additional ideas or materials (posters, brochures, etc) please don't hesitate to contact Renee Ortiz, renee@eventfulpro.com, 303-840-0045.

Community Team Registration Form

Team Name: _____

Organization Name (if applicable): _____

Primary Contact: _____

Address: _____

City, State ZIP: _____

Phone: _____

Email: _____
